1. I have given you Me and the praises of men will not affect you. The praises of men MUST not affect you. The praises of men cannot affect you. They cannot propel you and they must not propel you away from Me. I have given you Me. I have given you all that there is. I have given you everything and now the praises of men you must lay aside forevermore, once and for evermore. Never again entertaining the idea of the praises of men that may come your way, what they may look like, what they may feel like, what form and fashion they take, and whether or not you are ready, whether or not you can handle it, whether or not you can handle them, whether you can deal appropriately with assailants with honor.
2. I told you long ago, honor tests a man more than lack (1). And many who I desire to leadership cannot walk in leadership for they cannot walk in the honor, they cannot stand with purity and let the accolades of man fall to the ground with no seeds from them allowed to come up. I love you and I give you Me. I give you Precious Me, I give you all of Me, I give you My Mine and I give you My mind (2).
3. Now take Me and worship Me and love Me more and allow Me to come increasingly into you and flow, The King of Kings, The Lord of Lords and all that there is, and allow Me to be your only reward, and your only praiser. I love you and I give you Me. Amen.
4. I told you that all changes, it all is, they all are, they exist and they are ready, right before your very eyes. The eyes that I have given you, the eyes that I have found, gave the eyes that behold Me and allow Me to come and flounder not, but found that which I am doing increasingly now in the earth and in all who will let Me. Amen. Amen.
5. Praise be to The Living Savior. Praise be to the risen Christ; the living, speaking, risen Christ who was and is and is to come, and has now come and has now in-filled and indwelled those who are looking for his appearing and questing after Him, Me. That's Me. Me, Ted. Me! reader, hearer, Me in the now of now. In light speed now I come. My light speed bringing My light, My fortress of fortresses you now reside in. I love you. Impenetrable, except for only Me.
6. Now let the praises of man reside not, resound not, scorning, scarring, tainting, perpetuating that which is not Me. I love you and the praise of men must be of no effect. Every worthy compliment, every unworthy compliment; every criticism: criticism worthy, criticism unworthy, you give to Me; must be given to Me; required to be given to Me in exchange for what I give you for what you give Me. Give Me the changes, give Me the exchanges, give Me the criticisms and compliments and especially the praise; for no man will worship in My presence of worship except that is of Me. And My men, My women, My gloriables will receive no worship and no praise, except from

Me, My Maker, their Maker, all together one, equal, coerced not, compatible; oh so much more so; compromising not one element or molecule of truth.

7. Not one piece of sand, sandstone overturned until all I have said is true. Not one blade of grass moved, not one withering, but all coming forth in Me flourishing, and flourishing each other. Now love Me and love on Me more and love on My people more.

8. Love My men and women who are so shorn, who are so sure they have nothing to offer Me and are certain they have nothing to offer each other; looking in the mirror and seeing only what was, what could have been-thought, dreams shattered, dreams never even existing in so many.

9. I love you and I give you Me and I give you Me to lift My body, and love My body, and that's why you exist: to live Me, to speak Me, to be Me, to be My mouth, My oracle, My pipeline, My herald, to love and lift My people, to love on My people, to love on My people, to love on My people, to love place in My people, them feeling My love so greatly; no condemnation, no condemnation; "go and sin no more" (3).

10. Love Me and love My family, those beside you, your family, your aunts, your uncles, your members far and wide, those who have persecuted you, proclaimed you mad. Some of you so hurt.

11. I speak to My body, I speak to My body to love My body. Please love My body. Please love My body. Please love Me. Please love each other. Please war not and warlocks not make out of simple and simpletons, simple things that simple solutions exist so readily, so visibly, so demonstrably before your eyes. I love you.

12. I come in coffee cups not, I come in touches of Me, touches of My body, gentle touches, salving each other. I love you. The balm of Gilead, the peace of My rest, the rest of My peace comes now into you and those who will love on My body and live in My body with love, exchanging covenant of only Me; covenant before the end of time, before the beginning of time, before time was, before time is. I love you.

13. Coffee with Me: shores of Tripoli, every continent, every nation, bar none. Love Me and love My body.

14. Patient, patient, patience, patience, patience, kindness, kindness, gentleness, meekness; meekness permeating all.

15. I love you and give you Me. What else can I give you? What else could you ask? How much more can I share un-pleasingly, pleasingly, fully, fullness? I love you and I give you Me. Now let you, let you give Me Me more, let Me give you Me more.

16. **My ponds, My lakes, My acreages, My WeekWorkers, My WeekWorks from all over now come,** and come, and bondsmen not make but bondsmen set free, bonded set free, bondages dismissed, deleted, shattered with the light of My word, the word of My faith, the faith in My word.

17. Cataclysmic integrity, write it down, integrity which shatters mindsets, trained, trained, trained in error. I love you and I give you Me.

18. I give you Me and speak at every opportunity; discern before the wisdom-seeking. I love you and I give you Me. I thank you for writing My words, speaking My words, giving Me all together to Me, giving Me all I am, giving Me more. More time, more space, more place, more love for you, more love for Me, from Me and through each other. I love you and give you Me.

19. All praises to Me alive, all praise to you dead. Amen.
